

Please Note: There are no "Field Reports" on Saturday morning. On Saturday morning, please visit the vendors and attend Symposium 2 (New Research in the Northern Rio Grande) from 9:30 am to 11:00 am. The Pecos Conference business meeting is scheduled at 11:00 am in the field report tent. We have scheduled the meeting at this time in order to have a largest turn-out for the Arizona Archeological and Historical Society awards and the other important issues facing the archeological community. David Breternitz will organize the meeting.
